

Hogweed Trotters Membership Form

Hogweed Trotters is a running club based in Chipping Sodbury. It has an active road, off road and triathlon section, and caters for adult runners of all abilities. Club nights are held on Wednesday and Friday evenings and Sunday morning.

Membership brings a number of benefits including:

A supportive training environment with access to a number of qualified coaches. Discounts at a number of local running shops, Yate Active Leisure Centre and other retailers. Discount entry fees for many events (see below)

The club is affiliated to:

- Association of Running Clubs (A.R.C.)
- British Triathlon Federation (B.T.F.)
- Affiliated to Avon Athletics Association (A.A.A.)
- England Athletics (E.A.)

Affiliation brings a number of benefits to the club and members. Members are given the option of affiliating to English Athletics as an individual at a cost of £14. English Athletics state the benefits of this include:

- The ability to submit your views on how the sport is run and funded in a way that reflects your fundamental importance to the sport
- Entry discounts (minimum £2) on UKA licensed road and multi-terrain events (note many races are licensed by the ARC where the club affiliation secures the discount)
- ebulletins including key information on the sport. You can ensure your email address and mailing preferences are up to date at www.englandathletics.org/myprofile
- Opportunities for you, (and at times your club or your school) to get involved in exclusive events and experiences in association with British Athletics
- Discounts and vouchers for money off.

EA have indicated that if unaffiliated runners claim the race discount they may seek to recover the affiliation fees from the relevant club. The club will seek to avoid this; however if this occurs the club may seek to recover these costs from the runners involved.
